

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Swill and Offensive Refuse—Disposal of. (Reg. Bd. of H., Feb. 11, 1915.)

SEC. 93. No person shall permit or have any offensive swill or other liquid substance on his premises or grounds, to the prejudice of life or health, whether for use in any trade or otherwise.

SEC. 94. No person or persons shall collect any offal or swill, decayed meat, fish, or any animal or vegetable matter, nor transport the same through any street, highway, or public place, except in water-tight, securely covered containers, from which no odor can escape, and which will prevent spilling or leakage.

SEC. 95. All carts and vehicles for carrying swill, offal, or other nauseous or offensive substances, boxes, tubs, and receptacles in which any nauseous or offensive substances may be, or may be carried, shall be strong and tight and impervious to flies, and the sides shall be so high above the load or contents that no part of such contents or load shall fall, leak, or spill therefrom; and either the vehicle or vessel carried by it shall be so covered as to be inoffensive; and all such material shall be loaded or removed in a sanitary manner. Vehicles used for the conveyance of swill, offal, or other nauseous or offensive substances, shall not be used at any time for the transportation or conveyance of any meat, fish, vegetable, or other foodstuffs which are to be utilized for human consumption at any time or under any circumstances.

Poisons and Drugs—Sale of. (Reg. Bd. of H., Feb. 11, 1915.)
